## Giving you a HEADS UP!

Data Protection Laws are changing and the Parish is aligning itself with the new legislation. Your privacy is important to us, and we want to communicate with church members in a way which has their consent. In the coming weeks we will be asking you to give your permission for us to do this. All you will be required to do is fill a form in, but we must receive this off each Church member for us to communicate with you. Thank you!
